CANDIDATE STATEMENT: If selected as a chapter leader, what key goals would you set and how would you propose achieving those goals? Please limit your response to 75 words using the space below.

As President-Elect and subsequently, President, I have an overlying vision: "Lean, Mean and Relevant." Lean and mean: I would continue best practices but streamline other processes to eliminate unnecessary work as to respect our volunteers' time. This would allow us to narrow our focus on the most meaningful offerings to our members.

Relevant: I propose offering the highest quality CEUs and Programs that benefit the greater chapter and hosting engaging networking opportunities to build professional and personal connections.
