CANDIDATE STATEMENT: In 300 words or less, state why the role is of interest to you, what you hope to bring to the design community through a position on the chapter board.

I'm honored to be considered for the role of Finance Director at ASID New Jersey. With over 30 years of experience managing finances and growing businesses in the high-end stone industry, I've built a career grounded in transparency, strategic thinking, and collaboration. As the owner of Artistic Marble & Onyx, I've led complex, design-driven projects across the country, partnering closely with acclaimed architects and interior designers. I understand the importance of aligning creative vision with sound financial planning.

Joining the ASID NJ Board feels like a natural next step. I see it as an opportunity to give back to the design community that has inspired and supported my work for decades. As Finance Director, I'll bring practical expertise in budgeting, forecasting, and financial management, as well as a strong belief in accessible, clear communication.

I'm passionate about building sustainable systems that support growth, increase member engagement, and ensure the long-term health of our chapter. I look forward to working collaboratively with fellow board members to create meaningful programming, support emerging designers, and elevate the profession as a whole.

Thank you for the opportunity to serve.
