**CANDIDATE STATEMENT:** In 300 words or less, state why the role is of interest to you, what you hope to bring to the design community through a position on the chapter board.

Having been an active member of the New Jersey chapter of ASID for 6 years, I understand the inner-workings of the chapter. I understand the needs of the membership at various levels and that makes me an ideal candidate for this position. Learning from the last few years and the upwards trajectory of the chapter, I am prepared to build on the momentum and expand on the success of the last two years. Two chief goals: to provide CEUs that meet the interests of our members and to increase engagement with emerging professionals.
