

# PAJAMA & BOOK DRIVE

## The Magic of Pajamas & Books

**N**EW PAJAMAS AND BOOKS are *magical gifts* that we collect and give, with love, to children. These gifts inspire children, teaching them how to use imagination and creativity to change their lives. They are the building blocks of confidence, trust and love. And because we

give them unconditionally, these gifts help create a trusting connection and long-lasting bond. It's easier than you might think to comfort and delight the children who need it most, giving simple but magical gifts that lift the spirit and can change the world.

The Community Service Committee of the NJASID Chapter will be holding a ***Pajama and Book Drive*** to benefit the NJ Chapter of the Pajama Program at the Holiday Party on December 5th at Blackman Plumbing's Mawah location.

We are asking for donations of new pajamas and/or books for infants, children and teenagers up to 18 years old. The Pajama Program is in special need of adult size pajama sets for the teenagers they serve.

All pajama donations must be new sets (top & bottom) with tags still on. There is no need to put the items in a box, gift wrap or mark with the gender. Simply drop off your donation to Christine & Iris as you enter the party. The book donations also need to be new.

Pajama Program is a 501(c)(3) nonprofit organization founded in 2001 that believes every child has the inherent right to a loving good night, complete with comforting bedtime rituals. Pajama Program offers at-risk children the unconditional, magical gifts of new pajamas and books to create a safe escape at bedtime and spark their imaginations and creativity. By sharing our gifts, the children experience the greatest benefit of a loving bedtime and peaceful good night: a fulfilling, optimistic good day. ***After all, good nights are good days!***

If you'd like to make a monetary donation, you can make your check payable to "Pajama Program" with NJ Chapter written in the memo and mail to Pajama Program • 114 East 39th St. • New York, NY 10016
